

Series 90 Corner Stall Frameless Shower Enclosure

High-quality materials and alternative gasketing techniques give these enclosures the look and feel of pure glass. Since most projects are made to order, there is no limit on the opportunity for creative expression.

1. GLASS-TO-GLASS CORNER

90° glass-to-glass butt merge corner. A removable metal cap locks the panels together.

2. PREMIUM HINGES

Our hinges are of the highest quality available and cycle tested 30,000 times. 5° pressure for when stop seal or miter is used or 180° self centering for in/out swings are both available.

3. 90° WALL CLIP

Clip is fastened through the glass and into the wall to maximize stability and safety.

4. TUBULAR PULL HANDLE

Standard 6" through-glass pull handles. A variety of styles are available to suit any décor.*

5. DOOR SEAL OPTIONS

Non-mitered doors feature self-centering hinges to ensure a true closure. Mitered doors have 5° offset pressure hinges so that the door edges and compression seal gaskets maintain watertight contact.

6. LEAK PROOF DOORS

Available in easy to replace plastic design, permanent aluminum, or plated over brass with tiny replaceable "T" gasket below. Shown with optional curb dam for additional leak prevention.

Series 90 Corner Stall Frameless Shower Enclosure

High-quality materials and alternative gasketing techniques give these enclosures the look and feel of pure glass. Since most projects are made to order, there is no limit on the opportunity for creative expression.

SPECIFICATIONS

To ensure the utmost in safety, all tempered safety glass is compliant with all ANSI and consumer product safety commission specifications, as well as the even more stringent SGCC specifications.

All exposed glass edges are polished.

OPTIONS*

Clear glass is available in 3/8" or 1/2" thickness. Privacy and decorative glass options are also available. Can upgrade to Starphire™ ultra-clear glass and/or VistaShield® low-maintenance coating.

Framing options include high-quality 6463-T5 aluminum alloy, or brilliantly plated over real brass.

We have channels and hardware options to meet all styles and price points.
